

# The 26<sup>th</sup> Annual Needville Harvest Festival

(A non-profit organization)

**Saturday, October 17, 2009**

All vendors who have paid for an assigned space will be allowed to offer their respective wares to the Harvest Festival attendees by walking through the public areas. Food vendor fees are \$55 and all other booths will be \$45 this year. Generators are allowed. ALL booth spaces are uncovered, 10' x 12' and no electricity – this includes the food vendor booths. If you need a larger space than this, 2 or more booth spaces must be paid for with this application. There will be no exceptions.

- Vendors who desire to sell their wares on the Friday night preceding Saturday, October 17<sup>th</sup>, are able to do so with a paid assigned booth space for Saturday – no additional charges.
- No free food or drinks will be permitted to be "given" away as this negatively impacts food vendors.

Booth fees and completed booth application forms are due no later than October 9, 2009. A \$10.00 late fee will be due for all applications received or postmarked after the deadline.

Set-up on Friday, October 16 will be allowed at your risk between 1 p.m. and 6 p.m. Set-up will begin on Saturday, October 17 at 6 a.m. Vehicles will be allowed inside the gates for booth set-up, but must be outside the gates by 9 a.m. Saturday morning. Vehicles will not be allowed inside the gates for booth break down until after 1:00 a.m. on Sunday. We regret that we can not provide assistance to vendors for set-up or break-down.

All food booths must apply directly to the **Fort Bend County Health Department**, (281)-342-7469, for the required permit. Compliance with all Health Department rules is required.

We look forward to your continued support and participation of our growing event. Visit our website at [www.needvilleharvestfest.com](http://www.needvilleharvestfest.com)
